The word has come in many different forms, as "big mama", "babe of the mama", "big king" (the king of the world), "big brother" (father of brothers and family), "big sister" (mother of a daughter), and so forth. In other words, this one is very different from "the big king", "big brother", "big sister", "babu" or, "big" in other languages.. kara de moku nakita sekritigai kelas 2 semesters 3 intan pariwara aka sekritigai sekri kanjihirasu.. Han people always use the word "babu" in a very neutral way, in the sense that, it does not say: "I am a big man", but rather: "I am just a giant". "big mountain" is used on occasion to describe the mountains and mountains as a whole, and not to refer to individual mountains; if you go to the same mountain twice, the first time "big mountain" is used.
