I love to design and make things with my hands! I'm currently living in San Diego and am married to my best friend and can't do without him. I am also a proud momma of two! Wednesday, May 2, 2013 Reflections from the Heart This past month I had the joy of traveling through Central America with some good friends. They are the driving force behind Heart to Heart this beautiful project. The three ladies and their hubby, Troy, came to California from the United States. They have a small family. They have a little girl named Mary, and two boys. Troy is a Christian, and the girls are believers. Troy came from California, and the girls are originally from Oregon. I remember praying for them as we went through airport security, and praying for God's protection as we crossed over into Costa Rica. I was excited to watch our group gain confidence as we all walked through customs, into Costa Rica. It was an eye-opening experience for all of us. We met a lady, who we could not pronounce her name, and she had every paper, passport, and visa she needed with her. She was a Christian, and she prayed for us and told us that she is seeing a move of the Holy Spirit in Costa Rica. We sat on a stone bridge, while we enjoyed some lunch, and we saw a white eagle flying around. It was a special time. Later, we went for a walk and saw a group of kids playing soccer. They said they were from San Jose, Costa Rica, but I couldn't place them. We spent some time on the 82157476af
